Improvements to the Hesaraghatta Grass Farm.

From

The Chief Commandant, M. S. T.

No. 636 Dated 13-9-16 Received 14-9-16.

Diary No. 2578	Enclos. 1	Spare Copies.	Serial No. 4

BRIEF ABSTRACT OF LETTER.

Recommends that a horse allowance of Rs 15/- p.m be given to each of the Farm Assistants of the Hesaraghatta Grass Farm for maintaining a pony of ~~their~~ his own, which is required for the effective daily Supervision of the large Farm, as the Transport ponies supplied to them on the recommendation of Col Jones-in 1910 have to be withdrawn in connection with the mobilization, the charge being met from the grant under 27 E. Army S. H. & Farms, 3 Supplies and Services.

NOTES AND ORDERS.

1) The grant of a horse allowance to each of the Farm assistants seems to be necessary in view of the opinions set forth by the Chief Commandant in his letter.

But the authority on which the peons were supplied to each of them in 1910 is not based on the issue of a formal G.O. to that effect.

2) The second point for consideration is whether an allowance of Rs 15/- p.m. to each of the assistants is not much, as they are likely to graze the animals free of cost on the Farms. On a previous occasion one of the assistants seems to have been getting a Cart Allowance of Rs 12/- p.m. which was finally converted into a horse allowance.

3) As this is a question involving finance, this may, if approved be sent to Br II for opinion

8) Since there is no mention in the current year's budget of the grants or in the previous two years' budgets (1914-15 & 1915-16), of the grant of any kind of allowance, it may be presumed that they are not in receipt of any such allowances.

To

The Secretary to Government,
General Department,
BANGALORE.

Dated, Bangalore, *the* 13th September *191*6.

Sir,

I have the honor to state that on the recommendation made in 1910 by Col.F.G.Jones, the then Military Secretary, Government ordered that a Transport Pony be placed at the disposal of each of the two Assistants attached to the Hesserghatta Grass Farm (Vide accompanying ... correspondence) and that both the ponies will have to be withdrawn in connection with the Mobilization of the Imperial Service Transport... Corps.

The Farm Assistants are required to go almost every day over the Grass Farm which measures no less than 2600 acres and often pay surprise visits to the various localities with a view to seizing the ... villagers' cattle trespassing on the Farm. To ensure effective supervision it is absolutely necessary that they must maintain each a pony As it is not possible to spare any of the Transport ponies, I strongly recommend that a horse allowance of Rs.15/- each may be sanctioned, to enable them to keep a pony of their own. The charge will be met from the grant under "27 F.Army 5 H.G.Farm 3 Supplies & Services" under .... collection of the Hesserghatta Grass Farm in the current year's Budget

I have the honor to be,
Sir,
Your most obedient servant,

Col.,
Chief Commandant,
